

Accessibility Statement for Eyeland Wellness

Effective Date: January 18, 2025

At **Eyeland Wellness**, we are committed to ensuring that our website is accessible to everyone, including individuals with disabilities. We strive to provide an inclusive and seamless experience for all visitors, regardless of their abilities or technology.

Our Commitment

This is an accessibility statement from Eyeland Wellness.

Conformance status

We are dedicated to meeting the accessibility standards outlined by the **Web Content Accessibility Guidelines (WCAG) 2.1**, Level AA. These guidelines aim to make web content more accessible for individuals with disabilities, including those using assistive technologies such as screen readers, magnifiers, and alternative input devices.

Accessibility Features

Our website incorporates the following accessibility features to enhance usability for all visitors:

- 1. Keyboard Navigation:**
Our site is navigable using a keyboard, allowing users to access all pages, links, and interactive elements without a mouse.
- 2. Screen Reader Compatibility:**
All images and non-text elements include descriptive alt text, ensuring they are understandable by screen readers.
- 3. Color Contrast:**
We use high-contrast color combinations to improve readability for users with visual impairments.
- 4. Resizable Text:**
Text on our site can be resized without loss of functionality or clarity.
- 5. Accessible Forms:**
All forms include clear labels and instructions, making them easy to complete using assistive technologies.
- 6. Video and Audio Content:**
Multimedia content includes captions or transcripts to accommodate users with hearing impairments.

Continuous Improvement

We regularly review our website to ensure compliance with accessibility standards and identify areas for improvement. Accessibility is an ongoing effort, and we are committed to making updates as needed.
